OPTIMIST CLUB OF MONACO SOUTH PROJECTS AND ACTIVITIES

The following describes the various youth, community service, and organizational projects that your Monaco South Optimist Club sponsors and/or actively participates in running. This list is not all-inclusive, since we actively encourage our members to create or find new projects in which to get involved.

YOUTH PROJECTS--OUR PRIMARY MISSION

SUPER CITIZEN (Our Premier Service Project)

Our Club presents **Super Citizen Awards** for outstanding citizenship at McMeen, Samuels, Bradley, Holm, MPB, and Hamilton MS, University Park, Lowry, Highline Academy and Slavens schools. At the elementary schools, at one or two assemblies during the school day, a Monaco South member presents each **SUPER CITIZEN** with a framed certificate signed by our Club President, Denver's Chief of Police and Mayor, and a T-shirt proclaiming them to be Super Citizens at that school. Photos are taken of each child with his/her parent and/or teacher. At Hamilton Middle School, Monaco South presents the awards during the evening at gathering of the award winners, their families, their teachers, and Hamilton's school administration

BRAIN BOWL

The Brain Bowl is similar to the old GE College Bowl TV show (for those too young to remember, think Jeopardy with teams), but for middle school kids. Three competitions go on at the same time: one for 6th grade, one for 7th grade, and one for 8th grade. Teams take a written test and engage in verbal rounds against other teams which test their general knowledge. The teams surviving the preliminary rounds of competition then face head-to-head single elimination in verbal competition rounds until the championship matches at each grade level.

<p>When: January at Fairview/Boulder and Feb. in Denver and Colo. Springs Who: Karl Geil</p>
--

In January and February the Brain Bowl hosts over 160 competing teams in three tournaments located in Boulder, Denver/Aurora and Colorado Springs. Teams come from all around the state, and the assistance of 30 other Optimist Clubs throughout the Colorado-Wyoming District is necessary in order to put on the event. This event will be holding a "Super Bowl Championship" tournament in March. Go to <http://www.optimistbrainbowl.org/> to learn more.

KNOW BRAINER COMPETITION

In the same format as the Brain Bowl, this competition is held by Monaco South and Tamarac clubs for 5th graders in the southeast Denver area.

CUB SCOUT PACKS

Monaco South is the chartering organization for Bradley International Elementary School Pack 813. The pack is very active with 30 Cub scouts. Currently we have one pack and have plans to charter several more and eventually form and sponsor a Boy Scout Troop. If after reading this you know of a place in need of a Cub Scout Troop anywhere in Southeast Denver please call Frank Middleton at 303 759 9232. We will pay the initial costs, do the marketing and start the pack.

COLORADO HISTORY DAY

Middle school and high school students write papers, assemble displays, produce documentaries, or write and perform original live performances related to the year's official theme. Monaco South members serve as judges (except for the papers) at the DPS History Day event and at Colorado History Day held at CU-Boulder. Training is provided. See:

CHILDHOOD CANCER CAMPAIGN

Monaco South supports research into the causes and prevention of Childhood Cancer and assists children and their families who are undergoing treatment. Each year, one dollar from each Christmas tree sold is donated to a cause that aids the prevention of cancer or treatment of children with cancer. This can amount to \$1200 or more! In addition, we occasionally conduct "Happy Bucks" where members can brag on or report happy events in their life and put cash in the pot for the CCC.

CONGRESSIONAL YOUTH AWARDS

Monaco South supports the mentoring of kids to achieve the Congressional Youth Award (<http://www.congressionalaward.org/>). Members attend training to learn how to mentor a youth in achievement of this prestigious award from the U.S. Congress.

The Congressional Award is the United States Congress' award for young Americans. It is non-partisan, voluntary, and non-competitive. The program is open to all 14- to 23-year-olds. Participants earn Bronze, Silver and Gold Congressional Award Certificates and Bronze, Silver and Gold Congressional Award Medals. Each level involves setting goals in four program areas; Volunteer Public Service, Personal Development, Physical Fitness, and Expedition/Exploration. Earning the Award is a fun and interesting way to get more involved in something you already enjoy or something you'd like to try for the first time. You move at your own pace - on your own or with

your friends. This is not an award for past accomplishments. Instead, you are honored for achieving your own challenging goals.

LIBERTY DAY

Liberty Day Institute is a non-partisan grassroots organization helping kids learn and celebrate the Declaration of Independence and the U.S. Constitution. Andy McKean, a Monaco South member, is President of the Liberty Day organization, which teaches kids to learn the constitution, and then go out and quiz citizens in various venues to raise awareness of the constitution and the ideals of our founding fathers. Liberty Day is March 16th, and Monaco South will be helping sponsor activities for civic leaders, DPS teachers and students to learn about and promote the Constitution and its history. See more at www.libertyday.org.

OPTIMIST INTERNATIONAL FOUNDATION

Established in 1971, the Optimist International Foundation (OIF) is a not-for-profit 501(c)(3) charitable organization. OIF works with Optimist Clubs located in over 3,800 communities in the United States, Canada, Europe and the Caribbean. A majority of support received by the Optimist International Foundation is unrestricted. These donations are applied to the annual campaign, and are used to support the Oratorical Contest, Communications Contest for the Deaf and Hard of Hearing (CCDHH) and Essay Contest scholarships, as well as the Junior Optimist Octagon International program (JOOI). OIF is a major contributor to research at Johns Hopkins to help find cures for childhood cancer. In addition to the annual club donation, individual members are encouraged to give tax-deductible donations.

ROUNDUP FELLOWSHIP

Monaco South supports disabled children at Roundup Fellowship. Volunteers are needed to help plan the activities and to attend the outings. Roundup Fellowship staff members look after the children; Monaco South members go along on the activities to interact with the kids. When events are not feasible, the club donates the allocated money to support the ongoing work of Roundup Fellowship.

BOYS & GIRLS CLUBS THANKSGIVING DINNER

As it has for the past 30 years, Thanksgiving comes early for about 1000 boys and girls (and their families) at the Boys & Girls Clubs of Metro Denver and at Girls, Inc of Metro Denver. Members of the Optimist Club of South Monaco serve turkey - about 800 pounds of it - and all the trimmings at two locations on the Tuesday before Thanksgiving. Kids are bused in from most of the metro area Boys and Girls Clubs to get to the location of the dinner, which for many would be the only Thanksgiving dinner they would have. Some bring their siblings and parents, and many take advantage of the "to go" boxes to take turkey, gravy, mashed potatoes and pumpkin pie to the folks back home who can't come. Monaco South purchases the food, which is prepared by a local hotel catering operation for free. As they have for over two decades, Monaco South club members have a great time serving the food to the noisy crowd.

CHRISTMAS BASKETS & GIFTS

The Christmas Baskets & Gifts Project is an offshoot of the Thanksgiving Basket Project which was started in the 1980's. This project was expanded in the 1990's to include furnishing fixings

for a full Christmas Dinner and usually some toys to needy families with children in the elementary schools where we sponsor Super Citizen Programs.

The Committee Chairman for Monaco South starts a sign-up sheet about a month before the event (which is always the Saturday before Christmas). The Chairman makes arrangements with various food sources for the essential ingredients of a Christmas Dinner. The Club pays for these items, but we try to get grocery stores to give us a discount price on the food & foil pans that we buy.

When: Saturday before Christmas, 8-10 am
Where: Legion Hall
Who: Michael Chavez

Early in the morning on the Saturday that we deliver the food baskets, several members of the club will meet to pick up the food and take it to the designated spot for assembling the food boxes for each family. At a designated time, the rest of the members who have signed up to work this project will meet at the assembly area and box up the food for delivery.

The Christmas Gifts, for the children of six families in each school are purchased by Monaco South with budgeted funds and by other benefactors. The Social Services representative at the schools gives us a list of the names, gender and ages of each child. Club members will then deliver the food baskets and gifts to the designated families.

The total time of assembling and delivering the food baskets and gifts is about 2 hours.

THANKSGIVING BASKETS

This project is identical to the Christmas basket project, but without the toys. We usually deliver 30-40 full meal food baskets.

ORATORICAL CONTEST

Monaco South participates, along with most of the other Optimist Clubs in the Colorado Wyoming District, in the Optimist International Oratorical Contest, which is a 3 level event. Each year students under the age of 16 years present a 4 to 5 minute speech on the official topic which is determined by Optimist International. The judging is done by 3 members or non-members and the competition is divided into Boys & Girls contests. Each club sends the boy and girl who win its contest to the next level, which is the Zone contest. The winners of the Zone contest move on to compete for the championship of the Colorado/Wyoming District, with the Boys & Girls winners each receiving a \$2,500 college scholarship provided by the Optimist International Foundation.

ROBERT SULLIVAN SCHOLARSHIPS

The Robert Sullivan Scholarship fund was established by Monaco South to honor Bob Sullivan who was an outstanding member of the club and president of the Thomas Jefferson High School booster club. This fund annually provides scholarships to deserving college-bound seniors from Thomas Jefferson High School. The fund accepts contributions and also raises funds from selling Rockies baseball tickets and Entertainment Books to club members and others.

DEAF AND HARD OF HEARING CHILDREN

The club supports organizations with donations to help children with hearing impairments. We support the Optimist District oratorical contest for the deaf and hard of hearing. Similar to the regular Oratorical Contest above, winners get a \$2500 scholarship from the OI Foundation. Monaco South also supports the Cochlear Kids Camp held each summer by the Colorado Neurological Institute at the Estes Park YMCA by providing contributions for kids to go to camp.

JUVENILE DIABETES RESEARCH AND CAMPS

Monaco South is sponsor for the Type 1 Diabetes Optimist Club, and supports fund raising for research via JDRF (<http://jdrf.org>) and for partial scholarships to send kids to summer camp at the American Diabetes Association camp near Woodland Park (<http://www.diabetes.org/in-my-community/diabetes-camp/camps/colorado.html>)

CHILDREN'S SUPPORT PROGRAMS

The club supports the Schlessman YMCA, H.E.A.R., Anchor Center for Blind Children, Gold Crown Foundation, Special Olympics, and East High School Constitutional Scholars and others with annual donations from funds raised by our Christmas Tree Lot.

COMMUNITY PROJECTS

MULTIPLE SCLEROSIS BIKE RACE

Our members participate in this 150 mile bicycle ride two ways as a fund raiser for the Multiple Sclerosis Society. This race attracts thousands of riders each year in July. Monaco South members have raised over \$10,000 over the years as riders. Monaco South, along with the assistance of the Tamarac Optimist Club, also sets up and staffs the largest and best rest stop for this long, hot ride. Members direct traffic and we man the hydration station for dispensing ice, water and Gatorade to very thirsty and tired cyclists. Hundreds of riders take advantage of our rest stop each year. We also provide free photos of riders that are posted to our website for free download.

ORGANIZATIONAL/FUND RAISING

NEW CLUB BUILDING:

We are always looking to find a community which is not currently being served by an Optimist Club and to build a new Optimist Club or JOOI (Junior Optimist Octagon International) club to serve the youth of that community. By going door to door and business to business we solicit new members and hold meetings to establish the new club. Once the club is going, we work to help them build membership.

When: As needed Where: open Who: Anyone with desire

NEWSLETTER:

Monaco South publishes a weekly newsletter of meeting and other happenings. It is titled "*Grandiose Utterings of Monaco South*," "G.U.M.S." for short. Assistance in editing and mailing is always needed. We currently have four editors who rotate one each month preparing the newsletter, and five other members who do the weekly mailing of those copies not sent by email. We always welcome additional members who want to be editors of the month.

CHRISTMAS TREE LOT:

Each year, Monaco South establishes and runs a Christmas tree lot. This is the club's **major fund raiser** for the year and provides the funding foundation for most of our many youth and community projects. One dollar from each tree sale is donated to Childhood Cancer, an Optimist International supported project. We have maintained this lot for over 25 years. We sell up to 1500 trees, wreaths, and garland. **ALL** members are encouraged to put in a **minimum** of five 3 hour shifts (we run 9am to 9pm, seven days a week) over 3 weeks, and help out with the set up and teardown of the lot. Often we make a trek to the Evergreen area to cut trees from Ed Collins' land, and sell these trees as the ever popular "Charlie Brown Tree" –the only lot offering this unique tree.

When: Day after Thanksgiving until Dec 24th Where: Monaco and Evans Who: Joe Marci , Mike Miller

This is the most wonderful time of the year and a great time to get to know your fellow Optimists. The annual club chili cook-off is held on the second Saturday of the month, at the lot trailer. We also get help from local high school youth groups (JROTC, Sports teams, etc.), and make a donation to those groups that participate.

GROCERY CARD SALES

At each weekly meeting, gift cards usable at King Soopers or Safeway are available for sale to members. These are available in values of \$10.00, and are reloadable up to \$500 with your

rewards credit card or cash. The member uses the card like a debit card for groceries and gasoline at dozens of stores associated with King Soopers (Kroger stores) or Safeway. The member gets **full** value for the card, but the club receives a rebate from the company, thereby earning 3-5% of the monthly reloaded amounts as a fund raiser for Monaco South. King Soopers and Safeway have some of the best discounted gasoline around, and everyone buys groceries each week, so it's a win-win proposition for the club and the members. Using these reloadable cards gives you a double win if you use your rewards credit card!!

QUARTERLY DISTRICT CONFERENCES AND ANNUAL CONVENTION

The Colorado/Wyoming District holds 3 quarterly conferences and an annual convention in August. Optimist International also holds an annual convention in a different city each July. These meetings are a wonderful way to meet Optimists from all over, and get training in various areas of club operations and leadership.
