About the We Love Lundby Club

WE LOVE LUNDBY CLUB

Launched in November of 2004, the We Love Lundby Club, a network of Lundby collectors, currently has more than 55 members from Australia, Canada, Germany, the Netherlands, Sweden, the United Kingdom, and the United States.

Our full-color quarterly newsletter, *The Lundby Letter* (published in March, June, September and December), features articles on the history of Lundby of Sweden; interesting discussions on Scandinavian vintage and contemporary dollhouses, dolls, furniture and accessory pieces with noted Lundby designers, research into the 1/16th (3/4" = 1') scale; insight into the Barton/Caroline's Home acquisition; a children's column; craft projects and cut-outs for your favorite Lundby houses, and much more!

Benefits in addition to the quarterly newsletter are a Membership Directory, Membership Card, and a red heart-shaped Club Pin.

Membership dues, including postage for each family per year, are \$25.00 in the United States and possessions; \$28 in Canada; and \$30.00 in the rest of the world. Send a check or money order (United States currency only) to the address below, or if you'd like to use PayPal, please email us at toysmiles@aol.com for instructions.
