

CONTRACTING AND CREDENTIALING

"Our contracts are the backbone of our financial success. Catalyst helped me organize, analyze and re-negotiate my health plan contracts and evaluated my billed charges to maximize reimbursements."

John J. Costanzi, M.D.
Lone Star Oncology, P.A.

Our expertise is in the areas of new practice start-ups, practice re-organizations, contract clean-ups, analysis and negotiation, credentialing oversight and on-going management. Our experience, knowledge of the Texas medical market, and our commitment to respectful communication, are some of the key elements that distinguish Catalyst Consulting.

PRACTICE START-UPS

"When I left my large medical group to start up my own practice, I was quite apprehensive. However, the experience turned out to be a breeze, thanks to the talented and experienced team at Catalyst."

Margaret M. Thompson, M.D.
OBGYN NORTH

PRACTICE PROFITABILITY

"Running three oncology clinics I stay overwhelmed. Catalyst has helped me with insurance contracting services, marketing collateral, practice assessment, and to determine a development plan. They bring a tremendous level of integrity to each project."

Debby Johnston, Office Manager
Lone Star Oncology, P.A.
